## Fortify your defense: Medical malpractice insurance for high risk physicians, surgeons and dentists

Finding professional liability coverage for distressed, high risk, and hard-to-place professionals can be difficult. Protecting your income, savings and professional reputation from litigation is imperative.

We can help you obtain medical malpractice coverage for doctors that fall outside standard underwriting guidelines in the standard commercial insurance market. Premier Insurance Management Services, Inc. sponsors an insurance plan designed specifically with you mind.

### TARGET CLASSES

- Impaired physicians or dentists
- Physicians using alternative medicine therapies
- Anesthesiologists
- Physicians specializing in pain management
- Physicians or surgeons with unusual or short term practice coverage needs
- Hard-to-place physicians, surgeons and dentists

### ADDITIONAL SERVICES

- Board certification
- Continuing medical education
