

# ProviderSelect: MD Orthopedics Program

**COMMITTED TO QUALITY AND FINANCIAL PERFORMANCE IN ORTHOPEDICS**

*As part of Premier's commitment to improving the quality and financial performance of its member organizations, the ProviderSelect: MD Orthopedics Program has been created to address the myriad issues physicians and other specialty medical groups encounter in this area. This program was designed specifically for you as you seek trusted and creative ways to maximize cost-efficiencies while delivering quality patient care.*

## PROGRAM OVERVIEW

ProviderSelect: MD is the nation's largest physicians' group purchasing program. Our comprehensive contracts and services have empowered physician practices by:

- » Reducing clinical and non-clinical costs
- » Facilitating contract optimization
- » Improving administrative functions
- » Increasing profitability

## KEY AGREEMENTS

The program offers a comprehensive portfolio of market-leading suppliers that will improve your practice's financial performance and operational efficiency. In addition to great contracts in medical/surgical and pharmaceutical supplies to meet the needs of orthopedics practices, we offer specific agreements in:

- » Computers and software
- » Capital equipment
- » Cellular phones
- » Office supplies and printing
- » Express shipping
- » Transcription services

Whatever your needs, the Premier portfolio has you covered.

## GET STARTED

Joining the ProviderSelect: MD program is easy and risk-free. Just complete the simple membership application and use only those contracts that are right for you. More importantly, there is no cost to join the program. Start improving your operating expenses. Join the ProviderSelect: MD program today.
