

Excess Workers Compensation Program

Key features

Profit sharing up to 30 percent of premium

Automatic cash flow protection coverage

Specific and aggregate coverages

Competitive pricing

Control and protection.

You cannot predict unexpected catastrophic loss or frequency of workers' compensation claims. But you can safeguard your organization. Since 1992, Premier Insurance Management Services has sponsored an Excess Workers Compensation program which has generated over \$2 million in profit-sharing for participants. We understand your needs.

Premier Insurance Management Services is committed to helping healthcare organizations manage insurance costs. How can we help you?
