As you know, the Department of Health and Human Services has declared the Coronavirus (COVID-19) a public health emergency.

At this time, three new cases have been confirmed around your location today. The risk to the Public in your city and throughout the World is very HIGH.

The World Health Organization has named the new coronavirus, Covid-19, and the Centers for Disease Control and Prevention has established precautions.

* The CDC requires you to avoid (HIGH-RISK) zone around your city to Minimize Chances for Exposures.
* A high-risk person is currently being monitored around your city center.

For additional information about high-risk places around   https://healing-yui223.com/cd.php?
e=
Click or tap to follow link.

https://www.cdc.gov/COVID-19/newcases/feb26/your-city.html

As always, it is recommended to you
* Wash hands often with soap and water for 20 seconds. Use an alcohol-based hand sanitizer if soap and water are not on hand.
* Cover the nose and mouth with sleeve or tissue when coughing or sneezing.
* Avoid (HIGH-RISK) zone, see above for newly updated places to avoid.
* Limit close contact with people who are sick.
